SKILLS SUMMARY

- Fluent in Microsoft office suite
- Intermediate Spanish (3 years of class)
- Strong leadership, collaboration and problem solving skills
- Growing skills in R and Java

EDUCATION

Bachelor of Science in Industrial Engineering and Operation Analytics Expected: May 2029
University of Arkansas, Fayetteville, AR

- Cumulative GPA 3.9 | Chancellor's List - Fall 2025 | Dean's List - Fall 2025, Spring 2026

College Station High School Diploma: May 2025
College Station, TX | GPA 4.5 | Rank 29/505

- National Honor Society | Varsity Athletics | College Station ISD Senior Hall of Fame Inductee

ENGINEERING-RELATED EXPERIENCE

Balsa Wood Tower Construction Fall 2025

- Developed a detailed plan for a tower made of balsa wood to hold most possible weight given certain parameters and materials
- Built and tested prototype of tower until tower failure in class
- Practiced problem solving and critical thinking skills through project
- Experienced engineering design process first hand

Water Filter Design Project Fall 2025

- Researched and brainstormed an approach to building a water filter given certain materials
- Tested 3 separate prototypes for transparency percentage to conclude which design was most successful at filtering dirty water
- Reflected on original prototypes to develop one final competition filter
- Reinforced engineering design process throughout project and time working on filter
- Participated in class competition for highest transparency percentage for final filter

WORK EXPERIENCE

Cavender's Boot City Stocker December 2025- January 2026

- Received and unloaded all shipment daily
- Prepared and tagged all product to be put on display
- Stocked and maintained inventory on shelves based off shipment

Rally House Teammate Summer 2026

- Provided helpful and insightful customer services to all
- Unloaded, received and sorted all shipments the store received from ground transportation
- Maintained clean and organized cash register to checkout customers

ENGAGEMENT

Institute of Industrial and Systems Engineers (IISE) March 2026-Present

- Became member when I declared Industrial Engineering as my major
- Student chapter at University of Arkansas
- Attend various social and professional events throughout the year
- Developing community of future Industrial Engineers not only for opportunities but relationships as well

CERTIFICATION/HONORS

Arkansas Academy of Industrial Engineers Scholarship Fall 2025-Present
New Arkansan Non-Resident Tuition Award (NRTA) Fall 2025-Present
Sophomore Advantage Scholarship Fall 2026-Spring 2027
